Babysitter/Nanna

[] Job offers

I am looking for a reliable person to fetch my soon to be 2 years old son from creche everyday and babysit at home until I arrive from work(which is around 7pm), some weekends can be included too. In total I would say, 50 hours a month or nit more. The person should be able to Speak English, reliable, can prepare a food for my son in the evening, play with him etc. Ideally from March 2019 or bit before I am looking to hear from people who would like to wok on a long term basis(minimum 3 months).
