

Seeking Luxembourgish Babysitter

[] Job offers

Hello, I am in need of a babysitter who will work with my almost 4 year old daughter, Cora, on her Luxembourgish language skills. There is no required experience level. We need someone who is patient, enjoys playing with children, and is able to think of fun ways to get her learning and speaking Luxembourgish. For example, to read books to her, draw with her, or just play with her while talking about what you are doing. We need someone who will engage her and get her to repeat words since she has already been in Luxembourgish crèche and now précoce for quite some time and still is not speaking any Luxembourgish. Her English speaking is very advanced for her age, and so she has always gotten by speaking English. Because of this, the babysitter should not speak English to her. Ideally, the babysitter will be available Tuesday and Thursday afternoons, but evenings or weekends could work too. Translation from Google Translate - Sorry for any errors D'lwwersetzung vu Google iwwersetzen - Sorry fir all Feeler Hallo, Mir sinn eng Babysitter, déi mat menger 4 Joer aler Duechter Cora mat hir Sproochkenntnisser schaffe wäert. Et gëtt keen erfuerene Level. Mir brauche jemanden, deen geduldig ass, genießt mat Kanner spillt, an se kann Spaass erliewen, hir Léieren a sproochlech Lëtzebuergesch ze léieren. Zum Beispill, fir Bicher ze liesen, ze zielen mat Iech, oder spillt just mat hirem Gespréich iwwert wat Dir maacht. Mir brauche jemanden, deen hir engagéiert huet an et se ze widderhuelen, well se an der Lëtzebuurger Crèche schon scho laang gedréckt huet an ëmmer nach laang net Lëtzebuergesch ass. Hir englesch Sprooch ass ganz gutt fir hir Alter, an sou ass si ëmmer mat Englänner gesprochen. Wéinst deem ass de Babysitter net Englesch ze schwätzen. Ideal ass de Babysitter Donneschdes a Donneschdeeg vu mëttes verfügbar, awer Owes oder Wochenende konnten och schaffen.
