Looking for Au Pair for 2 girls in Luxembourg

[] Job offers

Hello, We are a young family who have recently moved to Luxembourg with work and are looking for an Au Pair for our 3 year old and 6 month old daughters. Our family are fun, outgoing, energetic. The girls love playing outside, going to the parks and meeting new friends. We are looking for a live in Au Pair to be part of the family, helping out with daily tasks, getting the kids to creche, picking them up, doing meal times and having fun with them. Monday to Friday with weekends free to explore the area or hang out with the family. We want someone to fit in and be part of the family. Be energetic, outgoing and feed the energy of the girls! Thanks
