

## Au pair

[ ] Childcare

Dear family :-) Im filipina 29yrs old soon and currently working as an aupair in Holland and my one yr contract will soon end and im looking a host family in other countries. Being an aupair is great experience, I learned lots of things, experienced awesome and remarkable memories. And i want to continue while i have opportunity and while Im still young. Learning different cultures is a treasure for life.. I really have a great time working as aupair. Im taking good care of two sweet and so adorable boys ages 6 and 2 yrs old and 4 yrs old girl. It isnt so difficult for me since i have nephews and nieces , aside from that i had been aupair in Norway and Denmark. The only big challenge for me is the language but everything has solution. I went to a norwegian and dansk language course so I know basic and the kids is helping me a lot. Doing household chores and helping my hostmom making dinner is fantastic! because we get time to talk about anything and i think its the best way to build trust is to be open. My daily routine is, in the morning i have to help kids,dressing and making them ready,after they left i have to do the household chores, tidying ,vacuuming , laundry. And babysitting the 2 yrs old boy. And I'm picking up the kids also from school.I am honest and flexible . For me privacy is very important therefore i respect each of ones privacy. My hostmom is willing to talk with you as my refference if you like to know more about me. On how i am with their family. I hope i get a chance to be your aupair and experience great and awesome memories in your family:-)
