

Au pair wanted

[] Job offers

Looking for a female au pair to join Portuguese family living in Luxembourg to take care of 3 kids (5,3 and 1 years old). We would like the au pair to be motivated, flexible and caring. Main task would be to help with the morning/evening routine with the kids and some light housework (against agreed compensation). The Au pair should be an EU citizen or have a valid residency right for living and traveling in the EU. Great command of english or Portuguese is a must. Non smoking Au pair, with previous au pair experience, ideally with driving license. Interest and availability to cook would be a plus. Start date: September/October 2019
