Looking for after school babysitter

[] Job offers

Hello, I work from home but do travel to the UK and Germany for work. I have a 5 year old who attends St Georges International school and am looking for someone who will be able to pick him up from school at 3.15 pm (or the school bus stop in Senningen at 4pm whichever is easiest), bring him home for a snack and wait with him till my husband arrives home from work at 7pm. The hours would not be set days each week, but they would be regular. For example, next week, I would be looking for someone to do Mon and Tuesday and then two weeks later Tues, Wed & Thurs. Our family is English.
