

## Childcare / Nanny

[ ] Childcare

My name is Claire, currently living in Luxembourg and I've been taking care of young ones aged 12, 10, and 8, also tutoring English. I had been teaching English to foreign students back then in the Philippines from different age range. I am 29 years old and originally from the Philippines. Having this experience has taught me so much, expanded my knowledge and experience dealing with children, and stretched my flexibility towards different individuals. Additionally, I have undergone a first aid training in Luxembourg. Would like to render my service as Nanny/ childcare and English tutor beginning March 2020. Should you have further questions, you may contact me on Skype or Whatsapp. Hope to hear from you soon. Best regards, Claire
