Babysitter/Nounou looking for a job

[] Childcare

Hi! My name is Milouda and I'm 22 years old. I am of Moroccan origin and Spanish nationality. I am student (I am finishing my degree in English Studies).This year I took it as sabbatical to be able to work and pay for my studies. I'am a very cheerful girl who loves children. I like to play and teach children new ways to learn and have fun at the same time. I consider that I am very responsible and capable of serving as a babysitter with ease. I have experience with good families who can give recommendations about me. I have looked after children of different ages. I have been an Au Pair in Germany with a British family, looking after two children between 6 and 10 years old. I did tasks such as bringing them from school, preparing lunch, showering, dressing them, helping them with homework and playing with them. I have also been working here with an Italian/Spanish family, taking care of their 6 year old daughter. In short, I would love to work with a nice new family and add good experiences!! If you are interested, I leave my gmail to contact me: miloudaber43@gmail.com or my WhatsApp number:0034-697637375. Thanks❤
