

## Looking for a Host Family

[] Childcare

Hello! I am Jelly Ann, but you can call me Jhelai, from Philippines. I am highly motivated, warm hearted, matured & friendly person. I love to cook, making pastries, play with the kids & lastly hiking. I love being out in nature with all weathers. I am willing to learn and expect the cultural differences of being an Au Pair and I can share my culture too. I wanted to see different historical places in your country, study your language and be part of your society that's why I would like to be an Au Pair. Best Regards, Jhelai
