Looking for a Nanny job

[] Childcare

Dear Future Host, My name is Aiza 29 yrs old from Philippines .I have a Bachelor degree in Hotel and Restaurant Management and currently residing here in Luxembourg as an Au pair. My contract will end this July 2020..I was hoping to find a kind family to be their nanny here in Luxembourg because I want to extend my stay here in Europe and to look for better opportunities. Aside from that there are places I have not been yet (places on my wishlist) that I would like to visit. I am experienced in terms of childcare since I have been an Au pair in Denmark, Norway,Netherlands and Luxembourg (present) for almost 6 years. And I can give you good references from my previous hosts and my current . I am experienced in taking care of the house and I like cooking and keen in learning foreign dishes. I like being around with kids and love to do fun stuff with them. I also like outdoor activities and on my spare time I love to go cycling, visiting historical places and meeting new friends I also like to watch movies and cook some of my dishes from back home :) If you wanna know more don't hesitate to contact me. Best Regards, Aiza
