

LOOKING FOR NANNY/CAREGIVER JOB

[] Childcare

Hello my name is Theresa 29 years old. I'm undergraduate of Bachelor of Science in Information Technology. I also finished vocational course of Health Care and Massage Therapy. I was been an Au pair for a year in Netherlands with a dutch and American family of 5, 3 kids(3,5,7 ages all boys). Before I came to Europe I was been a Caregiver and Nanny in Hong kong for almost 4 years. I worked with a two different Chinese family, the first I talked good care of elderly woman(92 years old with dementia). The second one is a Chinese family of 4, two adults and two kids(2,4 ages both boys). Now I'm presently working as Aupair in Luxembourg and my contract will end on September 2020. I'm looking for a nanny job. I am skilled and supervising activities of children while providing safe and good environment. I effectively manage everyday activities such as bathing, dressing and changing diapers as well as preparing nutritious food. If the weather is good we go out to the park for walking and sightseeing. I also have a certificate of household services to perform any task in the house. My experience in childcare are funny,enjoyable, most of the time unexplainable feelings especially when seeing they are happy and comfortable for my guidance. My interest are watching and reading inspirational stories. I'm also adventurous person who love to see the beauty of nature. I would really appreciate if I could be a good impact to share my interest to your family. I will give a reference to contact my current and previous host family to know more about my performance. Please send a message for some questions. Thank you Best regards,Theresa
