And as I mentioned I love cooking so much I can cook Thai food for you aswell. I would love to be part of your family. I don't mind helping you with some housework. So I don't mind cooking and some light housework. My English level is in between B2-C1. I am not really good at writing formal letters so I prefer video skype that we can see and express feelings and expectations. There are a lot of things we can speak, I'm open-minded, I hope to speak to you soon, Thank you Ps. Due the corona issue, We can discuss for now and decide later when is a suitable time for both of us.
