

## Part time - After school - Nanny

[ ] Job offers

We are moving to Luxembourg next month and we will live in Merl. We are a french-american family and we have two kids. Samuel will be 4 in August and Danielle will be 2 in October. We are looking for someone who is caring, loving, smart and funny to pick them up from school/daycare and stay with them for a few hours, probably from 4 to 6:30 or so. My husband will be traveling quite a bit and I will be working full time as well so we could also need so extra help once in a while. If you are great with kids, know your way around the Merl neighborhood, and want to join our family, please email me at sbstillman@outlook.com. Thank you! Merci! Sarah
