Cleaning / laundry / ironing / femme de menage

[] Cleaning services

Hello I have recently moved to Luxembourg from the UK (originally from Poland). I have OVER 12 YEARS working in different housekeeping departments (cleaning, laundry, ironing...), including work in care homes, hospitals, pubs and, most recently, in one of the most luxurious hotels in the UK. I have also raised a very successful daughter and would be more than happy to provide baby sitting or pet sitting services. I am looking for either a full-time or a part-time position; I am generally very easy going and flexible. In regards to languages, I speak Polish, English, basic German and I have recently started learning French so communication should not be a problem. Please do get in touch if you are interested or should you have any questions, or if you would like me to send over my full CV :) Best wishes Janina
