

## Super-nanny look here!

[ ] Job offers

A Swedish family with two kids (6.5 and 4 years old) looking for a reliable, flexible and outgoing live-out nanny! We need help with picking up the kids from school - ISL in Merl - at 15:00 (12:00 on Wednesdays) and taking care of them until around 17:30. This includes playing, reading, outdoor activities, crafts, giving a snack or even preparing a simple dinner. I would also be glad to extend the day for help with cleaning and cooking. Offer up to 20-25 hours/week. We live in Limpertsberg. Ideally you speak Russian, but a good knowledge in English is of key importance. Happy to hear from you and tell you more! Best regards, Katja
