

## **Au pair already in Luxembourg**

[ ] Childcare

Greetings! My name is Dariya, I am already here in Luxembourg. Looking for host family as I am in rematch process. Have a right to stay with the current host family till 3-rd of December. I already got all documents that I need to apply for residence permit. I am quite experienced Au pair) Used to live in Sweden with lovely host family Lidholm. I have a nice reference from them. I have experience in childcare with different ages of kids, but mostly with preschoolers and primary schoolers. I am an artistic person, like to make different crafts with kids, sing and dance together. Play outdoor and indoor games. I am responsible person and follow the contract rules and duties. The same I expect from a host family. If you are looking for Au pair to start ASAP (November/December/January) don't hesitate to write me. Regards, Dariya
