

Offering babysitting, cooking, cleaning, petcare!

[] Other home tasks

Dear family, I am 30y old female, currently living in Luxembourg and working here from M-F 9am-5pm for a local family as a private chef and baby sitter. After this time I have energy and time left for additional job in the evenings and during weekends ;) I have tons of experiences: * Au pair for twins in Germany 1 year. * Personal live in dementia patient carer in London for 2 years * Higher education in social work, where I went through internships in kindergarden; special needs school, nursing home, homeless shelter. *Janitor as a side job for 3 years *Chef for 2 years I can cook all sorts of varites: vegan, GF, food intolerances, you name it. I can mealprep a punch for the week. I love pets and can help walking the dogs. I am experienced with all ages of children. I am available whole weekends and M-F from evening 6pm. I think it's safe to say, whatever help your family needs, I am you gal :)
