

## Friendly and responsible babysitter

[ ] Childcare

Dear families, My name is Jasmin and I'm 22 years old and from Germany. I'm studying educational science at the University Trier and since we have all our courses online I would love to look after children in my spare time. I'm a very responsible, reliable and patient person. I do have a lot of experience with children, having looked after children in Germany and the UK from the age of 2 to the age of 12. I was an Au Pair for a year in London where I've lived together with two lovely Hostsisters age 6 and 8. Happy to look after children and babies any age. Tasks I would love to do: -babysitting, cooking simple meals -school pick ups, play dates and other activities -homework supervision and tuition (especially German, English, Maths) -dog walking/ pet sitting in general I speak English and German fluently and French and Chinese at a basic level. I would be able to work in the area of Trier as well as Luxembourg (given it's acceptable by public transport as I do not have a car) If you are interested don't hesitate to contact me, please! Have a lovely day Best wishes Jasmin
