

## **Full-time Babysitter for July**

[ ] Childcare

Hi all, my name is Caroline, I am 19 years old and I can offer you my babysitting services for the entire month of July! I have 4 years of experience in babysitting and I am a leader in the scouts, so I know a lot of games and crafts to do with kids. I speak Luxembourgish, French, German and English and I have a driving license in case I need to pick up or bring the child(ren) anywhere. In case you would be interested, don't hesitate to call or message me so we can get to know each other!
