Nanny/Babysitter

[] Childcare

Hello future family! My Name is Joe and I am currently living in Luxembourg as an Au Pair. My contract will end in September 2021. I am looking for an opportunity to get a legal working visa as a Nanny here in Luxembourg. I have two years of childcare experience from 0 months up to 10+ years old. I can also do the cooking for the kids and I know how to drive manual and automatic cars. Currently, I am driving a manual car of my host family to fetch the kids from their school, after school, and bringing them to their extracurricular activities. I can also do cleaning the house, heavy or light chores don't matter. I do ironing and laundry the clothes and bedsheets. My personality, I love dogs or animals I have 7 dogs in my home country. I also love plants and I like a very simple way of living. I am catholic and I go to church in St. Alphonse every Sunday. I love participating in outdoor activities and going to different places. Again, I will be available early but not later than August 202. Please do not hesitate to contact me if you want to discuss things. By the way, I can give references upon request. Sincerely, Joe
