English/French babysitter/teacher available!

[] Childcare

Dear families, I am a primary teacher (38yo male) newly arrived in Luxembourg searching for babysitting hours for 7-13 year olds to supplement my teaching job. I am bilingual, patient, positive, creative, sporty, and musical. Most of my availability is on weekends, but I could also help during some evenings. Please get in touch should you be interested. I look forward to meeting you! Brendan
