Part-time help needed!

[] Job offers

Hi! We are an American family with 3 wonderful kids (5/3/1). I will be returning to work full time and need assistance with school drop off/pick up as well as afternoon care. We would also love if you could help when kids are sick. We live in Bertrange. We are easy going, love to be outside, dance parties with our kids and exploring the Lux playgrounds. We are looking for someone with a drivers license and car to pick up our daughter from school Monday/Tuesday/Wednesday/ Thursday at 3:00 in Merl. They would then come home and gather my other kids from Crèche and take them to the park or play. We would also need to have dinner started and light housework. Would like an English and hopefully French speaker. I look forward to hearing from you!! Chelsea
