

Live in nanny job offer

[] Job offers

Hello, we're a family in Bertrange and we're looking for a live in nanny to take care of our 3 children, and do household cleaning and cooking tasks, Monday to Friday. It would be a part time schedule and with the weekends off starting on Saturday morning. We speak English but can also manage French or Portuguese. We have pets so she must be comfortable with dogs and cats. She must already be in Luxembourg.
