[] Childcare

Dear, Currently I am an Aupair in Norway. My contract will end on the month of April year 2022. I’ve been also an Aupair to a lovely Danish family of 5 with 2 cats and a dog for 2 years in Denmark. The part of my work I liked the most is that I am able to help the kids to ready going to school in the morning, we also love to play specialty with snow. I enjoyed my work because I really love kids. I am Clarise May, 28 years old from Philippines. I am a trained in Commercial Cooking (I am a very good cook), First Aid, Fire Fighting and Fire Prevention. I am also excellent in housekeeping. I have also a very good paid work experience being a housekeeper and nanny for 15 months and an Aupair for 3 years and counting. About me: I am an outgoing, jolly, adventurous, compassionate, calm person. I am willing to undertake what new to me. I want to make people happy. When it comes to what I do, I am diligent,I always see to it that I do my very best on what I do. (Please write to me if you are interested so I can give more details about my nanny job, cooking, housekeeping skills and my family here in Norway is willing to give recommendation as well as my previous host family in Denmark.) Best regards, Clarise
