

## **Dog Walker (I love dogs!!)**

[] Pet-sitting

I`m owner of Chewbacca, he is a lhasa apso, and I love him, he is like a son to me. He is my third dog, I had a Husky Siberian when I was a child, after him I had a Golden Retriever that is now with my father in Brasil. So, I grew up among dogs. I moved to Luxembourg and I am now living in Dudelange and I can walk with your dog in other villages or I can stay with your dog at your home also. I will leave my phone number/whatapp in case if you need a dog walker. Thank you. If you have any questions dont hesitate to ask me. Phone: 671529090 I speak Spanish also.
