

looking for a job and accommodation together.

[] Childcare

Hello, dear parents! Hello my host family) My name is Solomia and I am 29 years old. I'm from Ukraine. ??????????????????Could I be a part of your family this summer? (not only in summer) I am looking for a part-time/ full-time job as a nanny! ????I can help you with the housekeeping and I am willing to spend time with your children and take care of them when you are busy. I have been working as a nanny for two years. I had taken care of children who were aged from 4 to 10 years (walking, cooking, playing games, drawing and other activities). About me: ???Frankly, I do not speak English fluently and for that reason I still keep learning English to improve my level of English language. I would like to tell you that I can speak and understand well. I have a good knowledge of the Polish language. I am kind, generous and friendly. I am able to build a great relationship with your children. I love nature, walking and active rest. []I am completely free in July 2022. I do not have bad habits. ????I am looking for a job and accommodation together. ????I will be very thankful for any help. my telegram : +38063 630 17 74 _____
