Hi! How are you? I am Ella Mae, 28 years old currently living in Denmark. My contract is coming to an end soon and I'm looking for my future host family in Luxembourg. I am very interested to become an Au Pair. I will be your happy helper at home, making your day to day life less stressful. I am flexible and trustworthy. I want to become an aupair to be able to stay and live in other country and will be given the chance to learn their language and culture. Meeting new friends and having new family. I want also to help you in your busy days cleaning the house, take good care of your children, I want them to teach how to write, to do the homework's, to play my favorite sport, to take good care of them and I also love to play with them. Becoming an aupair also open to new experiences, learnings and taking new responsibilities that would help me to grow more as a person. Best regards, Ella
