

Experienced domestic helper/ nanny / aupair here

[] Childcare

Hi good day! I am Joy currently living in Denmark as an Aupair. I was a domestic helper and nanny at the same time in Dubai, UAE for almost 2 years, i also work in a Lego company as kid's attendant where in we cater infants to teenagers doing arts and crafts and some sort of classes. And now i am an Aupair here in Denmark. Living in Europe made me more productive so i don't want to leave Europe. Before my contract ends next year, i would love to apply as a babysitter/ nanny and alike in Luxembourg. I know i very much qualified since i have a lot if experienced not only as a Au Pair but a real domestic helper worker before. I am very patient, resilient, honest, fun, determined and jolly. I always see the good in every situation. I am also positive that i could find a family that will treat me as a human being, as part of the family and as a friend. I wish i could see you and meet you anytime. Just shoot me a message and i will shoot you back. Thank you so much. Best regards, Joy
