

# Looking for a Nanny job for the summer 2023

[ ] Job offers

Dear lovely families, My name is Charese, from the Philippines. I am currently an au pair in Lille, France and I'm looking for a full time nanny job for August 2023 -- when my contract with my current French host family will end. Before moving to Lille to join my lovely host family of 5, I've also been an au pair in the Netherlands, then Luxembourg. So rest assured that I am experienced in taking care of children and in housekeeping. I've looked after kids from 2 to 13 years of age. I am currently taking care of a very cheerful, smart and chatty 2 year old girl here in my host family, as well as her sweetest 6 and 7 year old sisters that's why I am never bored on my job. I speak English fluently and I have B2 level in French. On Wednesdays, I tutor the girls in English such as helping with homework, reading and dictation. If you are looking for someone to expose your child to English and who can help you with this, then I may be the perfect nanny for you! I am calm, very flexible, fully autonomous and responsible so you can count on me. As I am already in Europe and outside Luxembourg, it will be much easier for the administrative processes in getting a work visa to move in Luxembourg with the support of a willing host family 😊 please don't hesitate to send me a message if you are interested. Kind regards, Charese
