

## Experienced nanny/cleaner looking for host family

[ ] Childcare

Dear Host Family, I hope everything is going well with all of you. I am looking for a host family as a nanny since my contract will end this year September 2023 here in Luxembourg as an aupair. Four years ago, I was an aupair of a loving, generous, kind, active family in Oslo, Norway. I looked after 3 girls ages 7 and the twins are 5. In their day-to-day basis, I helped with preparing breakfast, bringing and picking them to the train station, prepare the kids' lunchboxes, doing some light household chores such as making the beds, tidying playroom and kitchen, cooking, light cleaning as they have cleaners and occasionally, babysitting (payed). I have attended language course during this period. I really enjoyed and treasured the beautiful experience during my stay with them. Then, I moved to Copenhagen, Denmark and stayed with a loving, caring, generous and easygoing host family and helped with looking after 2 girls since they are 3 yrs old and 10 months old. Last year after my contract ended, I moved to Luxembourg, Luxembourg as aupair again with a generous and kind family with 2 girls since they are aged 5 years old and 4 months old. My contract will end this year so I am delighted to be welcomed into your family. This could be one of my great experiences. I believe that everything goes well with an open communication and I always appreciate a good relationship with everyone in the family. The love of children, fulfilling my dream of living in Europe while experiencing the culture and the opportunity to explore something new, opportunity to learn other language and to help with the family's day to day basis are my reasons why I am motivated to become nanny. Thank you for reading and I'm happy to hear from you. Have a great day! Best regards, Amilyn
