

Looking for a Host Family.

[] Childcare

Dearest my future Host Family, I'm Camela Palad, 29 years old. Born and raised in the Philippines. I am willing to apply as your Au Pair. I am currently in Norway as an Au Pair. I've been Au Pair on 3 countries already (Belgium, Denmark and Norway) hopefully my next country will be Luxembourg. My contract will end on September 4. I had wide experience in cooking. Most of my work experiences in the Philippines was a Chef Cook in a Hotel, Resort and Restaurant. I had training in a call center company as a Customer Service Representative. I also had work experiences as a Food Checker, Cashier and a Waitress. I want to be an Au pair because I wanted to explore/travel European Countries, learn different cultures, taste the typical and native food in every country, to see and experience the different lifestyles, learn language and to meet new friends. I am Friendly, Loves kids, Caring, Trust worthy, Responsible, Creative, Hardworking and Organize. I love watching tv, playing guitar, singing, hiking, going to church (currently a choir in Norway). Lately I am encouraging myself to read more books. I am open to sports, I play table tennis, volleyball, badminton, I like bowling as well. I have a Drivers License in Philippines. I am the person that you can easily trust and rely on, everytime you will need me. I will be there. Host families are my priority when I'm needed. Please feel free to message me. I will find a way to be available at your most convenient time. Thank you.
