babysitting in French

[] Childcare

I'm searching for someone(teenagers) who can spend time with my 6-year-old daughter and enjoy some activities together in French. You could read French books or even explore role-playing as a team. She speaks English and knows a few French words. It's important that you remain with her at all times; continuous conversation and communication in French would be appreciated. I'll be present at home during these interactions. Generally, weekdays after 4pm are suitable for me. However, the schedule can be adapted as needed, with the expectation of meeting once or twice a week for about 1.5 to 2 hours each time. The locations is Kirchberg.
