While they are in school I’m with the 3rd child and the baby we play in park till 11:30 I gave them lunch at 12:00 noon they take a nap till 2:30 then while they are napping I clean the house and at 2:45 I bring them to pick up their sister and their brother then we play till their parents are around and I also make some snacks for them like cucumber, carrots, bell pepper, my host they love cooking that’s why I only cook once a week but in Denmark I cook a lot. If their parents are not at home I make dinner for kids and after dinner I bring them to their beds to prepare them to sleep by reading a book or we play a little bit till they sleep. My Routines In Denmark, Loading and unloading the dishwasher, prepare the breakfast, since they are 13,12,10 years of age they are the one who make their lunch box, I Just guide them ,atfer breakfast I clean the table , I make it sure that kids they brush their teeth before they go to school..
