

Looking for a fulltime Nanny-position

[] Childcare

I am looking for a longterm +/- 40hours placement, if that means occasionally working really early or really late, that is fine with me. But as I am a single mother myself, I prefer not to be absent each weekend. I have years of experiences with children age 4weeks to 16years. I baby sat all thru my teenage years, went to the USA for 13month as an AuPair, where I worked with a disabled child. I came to Luxembourg 20 odd years ago and worked as a Nanny for several years before I became a mother myself. During the last 7 years I worked as an "Assistant Parental" and have the governmental certificate to make it legal. I am flexible, have my own car and open to new challenges. I am German living since 2000 in Luxembourg. I am fluent in English, German and Luxembourgish. I understand basics in Dutch and French, which I do improve in intensive courses right now. I am happy to provide my CV, the certificate from the Ministry of education and child care and the extracts from the criminal records.
