LOOKING FOR A HOST FAMILY

[] Childcare

I am looking for a family in Luxembourg to try the experience. I am a motivated person who loves children. My name is Victoire I am 22 years old and I come from Madagascar. I am a responsible, mature, fun, kind and trustworthy girl who has experience with children. This experience is personal because I am used to looking after and taking care of my cousin's children. For example, I took care of her little boy, barely 3 months old, when she had to return to work after her maternity leave. Taking care of a child, whether a newborn or older has no secrets for me, preparing the bottle, feeding, cooking, dressing, bathing, reading stories, monitoring, helping with homework, drop off and pick up at school. For my free time, I love cooking. I also do embroidery, drawing a flower or other design on a tablecloth, pillow, sheet and I embroider to then make a gift. I also love reading. I like walks in nature and outings, cycling too. That's it and it would be a pleasure for me to join your family, help you with the children and relieve you of the chores at home. So why do I choose Luxembourg? First of all, it's a beautiful contry that I want to discover, its culture, its languages ..... Then, the truth is it's easy to start the process of obtaining a visa if you want to realize your dream of becoming an aupair. Thank you. Contact me if you are interested
