EXPERIENCED AUPAIR LOOKING FOR A HOST FAMILY

[] Childcare

Hello, I'm a Kenyan looking a Host family in Luxembourg. I have the experience for over five years an aupair in Kenya and would like to help my host Child to improve in English, prepare dinner,drop and pick the kids from the school where necessary and would also help with light house work . I'm a playful person thus making it so easy to be around kid's. I'm currently in Kenya and would start as soon as my visa is arranged for and I would also provide my referees from the previous family I've worked with. Thankyou for taking your time to read hopefully I'll hear from you soon. Regards SUSAN MUYA
