Ms Mary Njau

[] Childcare

Hello host family. My name is Mary, am 27 years old Kenyan lady, looking for a host family that is ready to respect me and make me feel as part of the family. I am honest, hardworking, patient, loving, caring, loyal, tolerant, out going and fun to be around. I love listening to music, watching movies, dancing, cooking, travelling, hiking and playing volleyball. I love kids and enjoy looking after them, playing with them teaching them new games/things to make them creative and helping them with their school work or revision. I know how to change children diapers, bathe them, feed them, burping them after meal and lulling them to sleep. I have worked with a family here in my home country. I Am self driven and I do my duties very well. Feel free to send me a message and ask me about anything
