Aupair with 6+years experience for full-time nanny

[] Childcare

Good day, I am Janica Beriso, 28, from the Philippines. I am currently an aupair in Luxembourg and my contract will end on August 2024. Thus, I am looking for a family who would be willing to hire me as a nanny. I have almost 6 years of experience as an aupair from February 2018 to present and that includes 2 years in Denmark, 1.5 years in Iceland, 2 years in Norway, and now i'm on my fifth month here in Luxembourg. In total, I have taken care of a total of 11 kids with ages ranging from 0-12 years old. Thus, I have hundreds of hours of experience in babysitting/child minding. The most enjoyable ages for me to take care of are the infant and toddler years so I am leaning more into families looking for a nanny for their very little ones. I speak fluent English, Tagalog, conversational Danish/Norwegian, and some very basic French. My hobbies are reading, writing, listening to music, watching movies, learning languages, going to museums, traveling, etc. Unfortunately I do not have a driver's license nor can drive but I am willing to learn if opportunities arise. I love to ride the bike. I do not drink nor smoke. I graduated Bachelor of Science in Hotel and Restaurant Management in the Philippines but after years of being an aupair, I realized that my passion is in working with kids and so I want to pursue that further by being a nanny. My current and past host families would also be willing to hand our references should you wish to ask for it. If you have further questions or want to know more about me, please don't hesitate to send me a message. I am looking forward to hearing from you. Have a great day!
