

## Looking for a full-time nanny visa

[ ] Childcare

I have 6 years experience as an aupair and have lived in 4 different countries as such. Right now I'm an Aupair in Luxembourg and am able to start with the visa process ASAP. I am very dependable, honest, kind, and you can rest assured that your child would be safe when they're with me. I have hundreds of hours of experience taking care of newborn to teens and also with dogs and pets. My previous host families could provide references. email: [janicaleighberiso@gmail.com](mailto:janicaleighberiso@gmail.com) phone number: +352 621 687 177
