

Full-time declared Nanny needed

[] Job offers

We have a lovely family of five in Steinsel, Luxembourg. Our current full-time nanny will enter into maternity soon. We are seeking care for our almost 3-year-old twins. We are offering a full-time declared contract with some flexibility as the family's needs change. We are searching for a Live-Out Nanny who speaks fluent English or Italian. As the Nanny, you'll take care of children, keep them safe and clean, plan meals for them and organize creative and educational activities. Other duties will include bathing the children, keeping the play areas, kitchen and their room tidy and sanitizing and cleaning toys. The ideal candidate will have twin experience or experience caring for multiple toddlers. If you love working – and playing – with children and, also feel comfortable handling the less appealing tasks, such as changing diapers and tidying up children's rooms, please email me at missjax8@hotmail.com or whatsapp message me at 691812899 (only messages please, no calls). We are looking for someone who already has working permission in Luxembourg. Please do NOT apply if you do not already have permission to work here in Luxembourg! Thanks!
