Native English nanny

[] Childcare

Hiya I'm a British Nanny with over 5 years of childcare experience with children of all ages. I also have some experience with special needs children. I'm currently working towards a ba hons in childhood and youth studies with the open university to further enhance my learning, but I have a pleathra of practical childcare experience! As I'm a native English speaker I can also offer tutoring if desired. Please contact me for more information!
