After school carer needed!! We are an Australian / English family who have 3 children (4,3 and 1) . We are looking for someone to come and assist us (one of us will be with you too) with the children from 4.30pm to 8pm every weekday evening. Duties would include things like preparing the children's snack, reading, playing and dressing children for bed, getting their clothes ready for the morning etc . We live in Steinsel and would like a start date of early April for 3 months initially with a view to extend / increase hours. If you love children, can speak English (french or german is also a plus!), and have experience with children we would love to hear from you. Please email me on emma@ejb.io with details on who you are , your experience etc,
