AUPAIR looking for a new family in luxembourg

[] Childcare

Hi, I am AIDA, 28 years old, I am originally from the Philippines and I am currently an au-pair for a lovely family in Strassen. Due to unforeseen circumstances I will not be able to stay with the family as long as planned. My main tasks are childcare, light household chores and cooking. I have been an au-pair for 5 years (in the Netherlands, Iceland and Norway) I had really good experiences and I love being surrounded by kids. I am a responsible and trustworthy person. I speak fluent English, basic Dutch, basic Norwegian and starting to understand a little bit French If you are interest do not hesitate to contact me ! (Whatsapp or here) My current Host-Family is willing to give you feedback / recommendation if needed.
