# Seeking for a Nanny position

[] Childcare

Hello to all families! I am seeking a nanny position here in Luxembourg. It's my second country here being an au pair, and as my contract ends in October 2025, I am hoping to stay here as a nanny for the long term. Therefore, I'm trying to find a family that will sponsor my visa. I can provide you with references from my past host families. I had experience taking care of a 4-year-old twin in the Netherlands and, at the moment, a 9-year-old here in Luxembourg and a dog. So having a pet is not a problem at all. I will be your right hand to help you in any way. I am always flexible to take care of your kids, and at the same time, I can make your house neat. Willing to negotiate with the salary, expenses, and everything. Just let me know. If you're looking for a nanny who is dedicated, experienced, and excited to help out with your family's daily needs, I'd love to talk about this opportunity! Merci :) Regards, Micka :)
