

Application for Nanny / Caregiver Job Opportunity

[] Childcare

Motivation Letter – Caregiver Position Dear Hiring Manager, I am writing to express my strong interest in the caregiver position in Luxembourg. With over five years of hands-on experience as a nanny and domestic helper, I have developed a deep passion for supporting families and providing quality care to children and the elderly. I am a reliable, patient, and compassionate individual who takes pride in creating a safe and loving environment. I am fluent in both French and English, which allows me to communicate easily with diverse families and adapt quickly to different settings. My experience has taught me the importance of empathy, responsibility, and attention to detail, all of which are essential in caregiving roles. I am eager to bring my skills and dedication to a family or organization in Luxembourg, and I am confident that my background and genuine love for caregiving make me a strong candidate for this role. I am also open to live-in or live-out arrangements, depending on the needs of the employer. Thank you for considering my application. I look forward to the opportunity to contribute positively to your home or team. Sincerely, Kafilat Adunni Oyefolu
