

experienced English tutor TEFL

[] Tutoring and education courses

Do any of your friends and family require any online English tuition (via Skype) ?. I lived in Luxembourg for 5.5 years and know how hard and exclusive it can sometimes be to learn another language. I moved to Spain 4 years ago but maintain close links with Luxembourg via extended family and friends. I completed a 120 hour T.E.F.L (Teaching English as a Foreign Language) course, have experience of teaching in an English private school for 2.5 years in Mijas and an Academy in Marbella for 3 months. I also teach privately one-to-one currently. I use all manner of resources but mainly the Cambridge English curriculum. I have taught all age groups from 3 years old up to early 20's so I am very adaptable ! Very reasonable rates and flexible hours. Certificate and references provided on request.
