

Looking for Native German Speaking Part-Time Nanny

[] Childcare

We are looking for native German speaker and fluent English speaker nanny with driving licence who is actively driving the car in Luxembourg. I would like my son to learn German like a native speaker. Here are the key requirements: Language Skills: Native German speaker (primary focus) Fluent in English (for clear communication with us) Availability: Weekdays: pick up from daycare (~4:30 pm) and talk, care, play with him until 6:30 pm (including the drive home). Weekends: up to 3 hours per day, dedicated to playing, speaking, and enjoying activities with my son (3.5 half years old) in German Occasional evenings/nights for babysitting when my spouse and I go out Experience: Experience with toddlers (ages 2-4) with several years Knowledge of early childhood development and play-based learning Ability to naturally integrate German language learning into play Transport: Can safely drive my son from daycare to home Personality & Approach: Energetic, playful, patient, and encouraging Creative in play and storytelling in German Should be dog lover and we have two small dogs at home.
