Looking for full time housekeeper/nanny

[] Job offers

Hello We are looking for a full-time housekeeper/nanny to start with our family from September 2018. We live in Kirchberg and we look for an English or French speaking person to take care of our household full-time. Tasks include: cleaning the house, doing the laundry, ironing, cooking and help with the children (son 3 years old and newborn baby daughter). Driving license would be a plus but not necessary. Thanks Anna
