Need a Part-Time Babysitter for two boys 3yr & 1yr

[] Job offers

Hi There - We are looking for a part-time babysitter 10-15hrs per week. We are flexible with times, ideally would like someone Tuesdays and Thursday 9am-1pm and every other Friday evening. We recently moved from the States to Luxembourg and are in need of help a few hours a week to help us finish residency paperwork, run errands and have a date night. We are looking for someone who is trustworthy, punctual, nurturing, active, enjoys arts and crafts, being outside and cooking healthy meals for our children. The boys are active, have a crazy-fun imagination and we are in hopes to find someone who can spend time with them encouraging play. Thanks!
