# Dogwalking / dogsitting

[] Pet-sitting

I'm available for dogsitting or dog walking between 14 july - 8 august. I have a mutt and a beagle so i certainly know how to handle dogs. I will walk with your dog until they are exhausted because tired dogs are the happiest! I have had dogs for 10+ years, all of my dogs are raw fed, i can also help your dog transition from kibbles to raw food. Available for keispelt area and luxembourg city area.
